“ Prayers for peace and assurance 🙏
Betty was the sweetest Lady and always visited and took such goodcare of my mother and dad when they were alive. She came to. Visit and cheer them up with her smiling and cheerful face. She always looked after them in the hospital with special treats and food for their needs to make the very best meals you ever tasted. We all loved Betty and David and all the kids. We will surely miss her. She was an angel on earth that we know. Our deepest condolences to David and all her precious children we loved so much as neighbors and friends ❤️. She will always be remembered as a dear person and lady. We love you so much.
