Betty was and always will be loved by everyone that met her. She was there to help everyone. Her family felt like my family. I remember many years of bingo and sitting at her dining table eating her meatloaf or whatever was in the kitchen at the time. Her nieces and nephews were her nieces and nephews to her and Tom They are a very close loving family. Betty was more like a sister to her friends. I am happy and lucky to have known such a wonderful lady. She will be missed by all that knew her. Carlene Powell
