“ *I have only had the pleasure of knowing Sue for about 7 months when I first met her at Rosewood. Her sweet smile would light up a room. I loved talking with her because she always had nice and interesting things to say. She was also very funny and made me laugh whether she wanted to or not. I am going to miss Sue very much and would like her family to know that I truly did love her just as if she was my own Grandmother. I will keep her family in my prayers. Love, Julie Wright (niece of Robbie and Louise Fletcher)*
