“ I knew Betty Jane many years ago when she was the organist at my church, St. Lukes in Greendale, WI. She was a wonderful musician, but more importantly, a lovely person. I admired her a great deal.

“ We will miss BJ. She was a terrific piano teacher for our boys. She was always so interested in them as growing and developing young men, more than just the music - although her knowledge of music and her excitement to impart it to the next generation were wonderful. We will continue to pray for your family. We loved and appreciated her so much.
