“ Because of you I grew up to be a good Aunt, Wife, Mother, Grandmother, & house keeper. At the age of 13 you took in a messed up girl, and showed her what real life was all about. You didn't have to do that. You gave me sisters & brothers, something I always wished for, lots of nieces & nephews that I adore. You showed me that you don't have to be blood to be family. You showed me how easy it was to love. I'm so happy that daddy brought you & the family into our lives. You made the best difference in him, & me. I'm not going to say thank you, I LOVE YOU MAMA. We are going to miss you so much, especially me & Ni chatting on the phone with you.

“ Everytime I would be in the Shop Rite, Aunt Betty would be in the Shop Rite. That was our meeting place. I pulled in one day and she was already in her car and she said I just waited on you I knew you would be here. We just laughed and laughed because it was just by coincidence that we would meet there. Loved her to pieces. She was precious.
