“Granny I miss you so much, and can't eat or sleep right since you have went home to be with our lord and savior. I know I shouldn't be here wishing you back here with us bc I know your in heaven LIVING IT UP with all of our family and that your smiling down on us. You are now free of Pain, Can stand up and walk straight or run if u want to, no more “ARTHUR” (Arthritis),and No more nothing to make you lonely and you Finally are in the arms of the Lord and Finally getting to Rejoice with THE LOVE OF YOUR LIFE “Pawpaw”. I will always cherish our memories together each and every day and will make sure to take care Of Mama but just make sure you wrap your arms around all of us and Guide us all in the right direction in life and bring our family back together the way it should be bc life is too short and you never know when another will pass on. Me and the babies love and miss you beyond words Granny. Kailei said she will forever miss y'all painting fingernails together, doing crossword puzzles and watching Wheel of Fortune together in the process. Emberlei says she will miss sneaking and eating Candy and Cakes with u in your bedroom and playing games with you. Oh and before I go... I can't forget to say that I will Forever miss my “SHOPPING BUDDY”. Until we are all together again in heaven granny R.i.p.

“You've always loved me and wanted to see me, I'll never forget you or the memories I have of us. I promise to continue to “run it up the wall” and be my same crazy self that you always laughed at. I love you granny and wished I'd said it more. Give mom love for me and tell her I'll see her soon enough.

“ *My sweet granny, heaven has gained another angel. I'm gonna miss all the laughs I shared with you, fixing your hair and putting on your makeup, those memories I will always cherish. The countless nights we stayed up reminiscing about our childhood days playing redrover on the front porch, playing old maid cards and the adorable little chuckle everytime we would say something funny, I'm gonna miss you and this doesn't seem real to me but I know that you are with pawpaw watching over us. Fly high my sweet angel I'm gonna miss you &&. I love you granny*
