“ Betty and I knew each other a long time. She was a wonderful lady. I have many memories that I will hold dear forever. I couldn't have loved her more if she were my own mom.

You fought the good fight, Bettye so now you go rest peacefully as you have certainly earned it. This is not goodbye it's just...I'll see ya later! Give Roy a hug for me. I love you.

Earl, Kim, Candy,(Jeff), Dennis and Derrick, I'm so very sorry for your loss. My thoughts and prayers are with you all.

Love,
Adrienne....(Cissy)

“ I have known this sweet lady almost my whole life. She was always so nice to me. Always listened to what I had to say. She was like a second Mother to me. I will miss her. I'm glad she isn't in pain anymore. I will cherish my memories I have of her.

“ *Bettye was the sweetest lady I know. I've known her since I was 8 yrs. old. She was a great neighbor and her and her family welcomed us with open arms and treated us as their own. She would always give us kids donuts and tell us stories about her kids. As I got older and had a family of my own I use to visit her often and she loved my kids and spoiled them as if they were her grandchildren and would talk to her several times a week and her husband up until he passed. We could gossip for hours! Lol After that life kinda took over and lost contact. I love and miss them but I'm happy that they are no longer suffering. When I got home and heard the news I remembered what was said at church that night. "That the death of a christian is blessed who are in spirit of the Lord". And how Death is a way of spending eternity with Christ, and how they are in the presence of the Lord! Knowing that made me rejoice to know that she has seen the face of God and no longer hurting. Yes it still hurts and we grieve but it also gives us peace and to know we will see her again! I love you all Candy, Derrick and Dennis. Yall are family to me and will be praying for yall.*

“ Bettye was always like a mother to me. She would always listen when you had a problem. Bettye always had lots of love for everyone she knew. Never had one bad thing to say about anyone. She was the best wife, mother, grandmother and friend that any one would of wanted. I'm glad I had the chance to know her.
