I am the eldest daughter of John and Joyce Allen who were Beverly and Roger's neighbors on Polk Circle for a number of years. They had many fond memories of Roger and Beverly and Roger's uncle. We wish to express our condolences to Beverly's family. My parents are both with Jesus now and left us not even 3 months apart. I am sure they are having a wonderful meeting with lots of old friends including Beverly and Roger. God bless you all.

“ To The Family of Beverly Blackwell, So sorry to see where Beverly had passed. Doesn't seem like it was yesterday I saw her carrying Gina around and then the twins. Beverly and Roger were neighbors of my parents. My parents, thought a lot of them also. We never know when our last minute is, here today gone tomorrow. We just need to be ready to meet up with all our loved ones. There will be no more problems, pains, or sorrows. In the last two years we have lost both my parents, a great friend Jerry Morris, and now Beverly a good friend also. I hope they are seeing each other now. Thoughts & Prayers

“ Knew Beverly for over 32 yrs from working with her at Hutcheson. She helped teach me in my career and was always meeting me with a smile and a hug. Got to see the pride she had for her three wonderful children and then for her grandbabies. You will be missed.

“ *What a blessing Beverly Blackwell has been to my family! She was such a light and an encouragement in an everchanging world. Her love for her Lord and Saviour Jesus Christ was evident through her dedication to family, friends, and church. She had a humble servant's heart that overflowed with love. See you soon my sister. I have only been acquainted with Beverly a couple years from our Church family. She was truly an inspiration to me as well as so many others. Always going that extra mile no matter how tired she was. I will surely miss those loving hugs each Wednesday night and Sundays at our church with that sweet smile. Always ready to give a hand at anything we did . She loved her family so very much. Always feeling her love each time we meet. She will be sadly missed but how glorious to know she is at her home now that we as sisters and brothers at Shields Baptist Church are waiting and longing to join her. Rest sweet Beverly we will miss you but your love and friendship will always be in our heart.

Beverly and I were good friends when we were working at Tri-County. we had so many good times and I spent lots of times at her parents house on Robert E. Lee. Our paths crossed several more times during the years and I will cherish them all. My thoughts and prayers go out to children and other family members, Martha Coker Holloway
