I dont want to live without you. I would do ANYTHING to just get one of those good hugs you gave and to hear you call me Pamela. lol We had alternate nicknames for each other.. Mom was Shelby AKA Shelbs. MOMMA, YOU WERE MY BEST FRIEND AND I WILL ALWAYS KEEP YOUR SPIRIT WITH ME. I would do anything..... Love Ton*

“ Last member of my family that I grew up with. Closest sister to me age wise. Had alot of same friends growing up and working at lake winnie same time As making 6.00dollars a day each for 12hours of work. Bev sold tickets at ticket booth. As youngsters we invented our own form of entertainment. I'm so sorry for shooting her in foot with BB gun. Many memories from long ago that seem just like yesterday. My last sibling of my original family and its devastating for her to go way before her time. Her good natured heart has brought joy to all that knew her and her grandson Cayden was the Highlight of her life. Her spirit will be felt by all that knew her. Never forgotten and always missed and loved. It's been 6months and still hard to not think of her daily. Just a very very sad and tragic part of life.
