“ Lord, we call upon You in a time of sorrow, that You give those in need strength and will bear their heavy burdens, until they can again feel the warmth and love of Your divine compassion. Be mindful of them and have mercy on them while they struggle to comprehend life's hardships.

“ I can't believe you're gone Uncle Bill! You're so very much loved and missed! You left a string of broken hearts behind including mine however, I know that your broken heart has been mended now that you've been reunited with Aunt Viki and that makes me smile. You were a man of few words unless you were angry then you had a lot to say! Lol! Thanks for the advice, love, motorcycle rides and laughter. I am very blessed and honored that God chose you to be my uncle! This is not goodbye but see you later! Sending extra love to the rest of the family!
