“ Uncle Bill was such a wonderful and kind person. We spent a lot of time together as I was growing up. He was very special. I am sorry that I was not able to be there today but I would like to extend my sympathy to Daddy and to Uncle Jerry and send my thanks to the good people that cared for him at the end of his life. Uncle Bill touched a lot of lives in his own quiet way. He will be missed. With all of my love,

“ To Paul and Jerry and extended family, Bill was such a special person to me and to Sherri when she was growing up. That little girl certainly knew how to light up his eyes. They shared a wonderful love for each other. I last saw him in June of this year and was so glad to visit with him at that time. I wish the best to all of his family and am saddened by his passing as well. Please give my thanks as well to his special friends who were so caring to him. As always,
with love, Starr Gullede

“ *Billy was a friend since childhood days. A good person, he took care of his Mother, Mary Key, in her last few years here on Earth. It is said that he is gone, and my sympathy to Jerry and to Paul. Rest in Peace, dear friend.*
