“ Sorry that we're not able to attend our good friends' services but do know that he is in our thoughts and prayers. We have many fond memories of Bill and Georgia from their time as realtors, we shared many laughs and had a lot of fun attending Christmas party's given by mortgage and title companies (the good old days). Many of those days and times are revisited and still talked about with smiles and laughter 30 years later. RIP our friend and say hi to Georgia for us.
