“ *Brittney, I am So sorry. Didnt realize there was only Graveside until I spoke with Elizabeth last night. I really thought a lot of your Grandfather. He was always so kind to me when I would drop by the \$\$\$ store, and always ask about you. Always said if I saw you or talked to you before he did to make sure I said hello for him. PLease let me know if I need to do anything for you I Love you and Dustin..*

“ *Mark and Family of Bill,
My thots and prayers are with you all. Your Dad will definitely be missed from calling in and talking to all of us. He was so special. We have the assurance that your Dad is in his heavenly home awaiting us to join him one day. May God give you peace and comfort at this time.*

“ *Mark and family.*

I was so very sorry to hear of Bill's passing. I did spend many visits with him and his beloved "Goober" dog. We would talk Braves and politics. Took pictures of them together for Bill. He was loved by many members of the community and family. Thinking and praying for you.
