“ Russ, my family Fran, Shirley, and Debbie Haggard has memories of the skating rink days. And I have memories of you as well. You've been around our family for many, many years. I know you had a lot of suffering and pain the last few years. I know you're in a better place and healthy as an ox! I remember so many fun times, with Bubba, Robby, Alvin and your one of many houses! I will cherish my fond memories of you and carry them. I didn't want to see you in that casket, I knew you didn't look like Russ. Due to your losing all the weight being so sick And I want to remember you the way you always looked! Love and Prayers for all of the Summey's and surrounding family at this time. Fly high Russ, party it down! We will all meet again soon! Rest in pure peace and harmony, family by choice not by blood!
