“ I still can't believe that you're gone. I still feel like it's all a dream. I had just saw you at the shop and you seemed fine. I called your phone then get a devastating message from Tammy telling me that you are no longer with us. Your were like a father to me. May you rest in peace. May God keep his loving arms around your family. I know you in heaven looking down so watch over your family. You will truly be missed.. I'd rather remember you the way I last saw you.. It's still unbelievable...

“ My deepest sympathy goes out to your family.  
Billy-Bob my heart weeps I didn't get a chance to say Goodbye to you. I sit every morning by the Lottery Machine and gaze out the window hoping to catch a glimpse of you like I did everyday and when you were late opening those Garage Door I would tell Ash Billy-Bobs not here he's late. You were the Gentle Giant that resides in Every Man \* May Your Soul Rest In Peace \* and may God Carrie ALL your Family through this Difficult Time.  
A Quote for Billi-Bob

BUT IT IS THE LORD'S PURPOSE THAT PREVAILS \*\*

“Daddy. We always butted heads but you always had my back no matter what. Not a day will go by that I wont miss you esp when I need my car fixed now. I know that you were worried about Brent Abby & Kayden. I watched your & momma do yalls best to give us what we needed and wanted No matter what yall had to give up. I promised you that I would take care of them no matter what & not to worry that I will do what I had to as a mother to make things right between me & Jason to be the parents we are suppose to be & not fight over the babies. I know how you thought about Jason & you told me on sunday before you left that I couldn't have had a better father for them & to tell him to take care of them when your gone. I didn't know that would be the last thing I heard you say. I Love You.

I promise you this, do not worry about Tammy nor the kids. I will do everything in my power to help and protect them. You are loved by so many. I thank god that you are in no more pain.
