“ I just wanted to say I am so sorry for your loss & that I am praying for you and your family to get through this horrific & unimaginable tragedy. You don't know me but I knew Robin Batchelor Harris many years ago in Church & we keep in touch on FB & my heart is breaking for her & for you, her parents, siblings, family & friends.

You will be in my thoughts & prayers tomorrow & Sunday and from here on out. All I know to say is that, I know without a shadow of a doubt, She is smiling down on you, She is all around you, She watching over you, as She is now one of God's precious Angels!!!

We will never know the reasons why, but we can definitely know that She is with Jesus, she is safe & happy & will be for eternity and best of all.... YOU WILL GET TO SEE HER & BE WITH HER AGAIN....IN HEAVEN!

May God Bless You & Be With You,

Polly

“ Julie, my heart broke when I heard the news. I am so sorry for your and your family's loss. I can't imagine how incredibly hard it must be. Just know that there are hoards of people who are thinking of and praying for you and your loved ones, even people whom you haven't seen since you were a kid yourself. I haven't seen you in ages, but you still remain one of the kindest & most loving and kindred people that I have ever had the pleasure of knowing. I'd you need anything at all, please contact me and I will find a way to do whatever you need me to do. I'm praying for all of you.

“ I will miss her very much. She was my friend. I'm sorry for this loss, but I'm sure we'll all get through this. I'm sure her family will miss her to, that includes me. She was AWESOME and I'm sure her family and friends could agree. She was always nice and even my teacher could conclude that she never had anything bad to say and fought or what she believed in what's right. I will miss her very much

“ There is a lot I could say about Blythe. She was my granddaughter's bestest friend and such a sweet and loving child. I always enjoyed going to school and seeing her smile and her and Hadley hug like best friends do. I have taken pictures of her and Hadley at school and playing together on Field Day. We will miss her so much and loved her. God has received another angel.
