“ I knew Bobbie from working with her at BCBST in the Provider Interplan Operations department. From the moment I met her, I never saw her without a smile.... the smile that could light up the darkest of rooms. She was one of the sweetest, kindest people I had ever met. My thoughts and prayers continue for the family during this difficult time.

“ *I knew Bobbie from working in the same department at BCBST (Provider Interplan Operations) years ago, and never even really worked directly with her, but I looked forward to seeing her around the halls at work because she would always have such a kind, genuine greeting accompanying that infectious smile of hers. It never failed to brighten my day.*

“ So glad the New Kids brought us together all those years ago (freshman in hs). We quickly formed a close bond with all you Ridgeland girls. I hold those memories close to my heart. Bobbie's smile could light up the darkest of places. What a sweet, beautiful person. So grateful for all the times we shared. So grateful to be a part of your life. I'm going to miss you my dear friend.

Love you,

“ *I am very saddened by this news. I worked with Bobbie many years ago at BCBST and every time I saw her she had a huge smile on her face and was always the happiest person I've ever known. Even though it had been many years since we worked together, she never failed to say Hi and ask how I was. This is a tremendous loss, not only to the company, but to the world. She was a gem and will forever be remembered for that. My heart goes out to her family and friends for the comfort only God can give. Prayers and peace knowing that she is in a better place than us.*

“ I worked with Bobbie at BCBST in PIO and MBA. She was always joyful and kind. Every time I saw her she had a smile on her face and was always positive. She was a pleasure to work with. I pray that God will grant her family peace that surpasses all understanding. You are continually in my prayers.

“ To know Bobbie was to love her and to catch her zest for life, family, and Jesus. I knew Bobbie from our church, Chattanooga Valley Baptist, and her enthusiasm for ministry was contagious. We were in a Bible study together, and she brought laughter and authenticity to the group. Her persistence in gathering the various components for Operation Christmas Child shoebox gifts made that project a success. And no one who knew her missed the fact that she adored her husband and children and wanted God's best for each of them. She had a contingency of soul sisters, best buds, that group famous for their girls' nights. Their bond of friendship was something many respected and admired. I am a richer believer for Bobbie's being my sister in Christ, and I look forward to seeing her one day in Heaven.

“ *Bobbie was born with a heart of gold and a smile that light up the darkest of rooms. She is the epiphany of JOY. If she loved you it was unconditional and for life. We are all blessed to have shared time, love, and moments with her. She will be greatly missed, but praise be to the most high we will all be in her presence again. Rest in Paradise Bobbie.* ”

“ *I worked with Bobbie at BCBS in a few different areas of the company she was always such a bright soul. She always had a smile on her face and looked for the bright side in every situation. I can't imagine walking the halls at work and not see Bobbie's bright smile. Sending my thoughts and prayers to her family and friends.* ”
