“ *Bobbie was a beautiful outgoing person with a loving heart. I really got to know her well when she stood by my sister's side day in and day out taking care of her. She was a free spirit, happy, outgoing and always willing to help others. She will be missed; I pray she is at rest now with the Lord's angels watching down over us. She left this earth way to soon, and way to fast. Love you my friend.*

“ *Bobbie was like a sister to me. She was a very dear friend with whom I could share every little complaint and joke with. She stayed with me for six months and was always there for my every need while I was sick and after I got better. We shared a many of laughs and good times with a lot of tears and sorrow. Always ready for the late night dinner or Sonic special on the milkshakes. She will be missed more than I can possibly say. I know that she is at peace now, not trapped in her own body unable to communicate. RIP my dearest friend and know that you are loved.*

“ A beautiful garden now stands alone,
missing the one who nurtured it
But now she is gone,
Her flowers still bloom, and the sun it still shines,
But the rain is like tear drops, for the ones left behind,
The weeds lay waiting to take the gardens beauty away,
But the beautiful memories of its keeper are in our hearts to stay,
she loved every flower even some that were weeds,
So much love she would plant with each little seed,
But just like her flowers she was part of Gods plan,
So when it was her time he reached down his hand,
He look through the Garden searching for the best,
That's when he found Bobbie, it was her time to rest,
It was hard for those who loved her, to just let her go,
But God had a spot in his garden, that needed a gentle soul,
So when you start missing Bobbie, remember if you just wait,
When God has a spot in his garden, She'll meet you at the gate....
