“ It was such a pleasure knowing Bobby. He was so sweet, funny and a bit sassy now and again 😊. We would talk about food and recipes that he wanted to try. They most often involved chicken being grilled, smoked or roasted. He would get a little twinkle in his eyes talking about the things he would try to do to make the recipe different and obviously better. And at the end of each recipe, he would say 'yeah boy!'. I am truly sorry for your loss. I hope you may find some comfort knowing that he brought smiles to us all.

“ To my sweet dear cousin!
You're no longer in pain or suffering. You have received your ultimate healing. As much as I would love for you to still be with us, I know I can look up and you will always be talking your smack as you watch over us. This one hurt. You are truly missed and loved. Rest easy cousin!

“ I knew Bobby as a teen at RHS. His humor and friendliness gave me hope for the future. I had seen him on different occasions throughout the years, he was still just as friendly. There are no words that I can write to ease the pain his family feels, but later know he made a lasting great lasting impression on me. Bless his family.
