“ I am Lois Dobbins's daughter. Spent a lot of time with Bobby when we were children. Bobby was a wonderful person. I used to love to hear him talk like Donald Duck and we would laugh together. Bobby married me and my husband 44 years ago. Sorry that I didn't get to come visit him before this happened.

“ *Papaw Rogers, how you will be missed!! I remember setting with you awhile back, you and your guitar, and we would start in singing! Boy didn't we clear the room. I personally thought we sound good together! You was a great person to be around, always bringing people s spirits up if they were down, me included! I want to thank you for being apart of mine and my sons life! What a great man you are and I love you!!! Go to heaven shouting, and save a place for me!!! Until we meet again my friend.*
