“ *Due to my illness my regrets to the family because I can't be there with them. But I do have fond memories of my sister when we were growing up. But since I moved very far away I haven't been able to see her since our mother died. But I have kept in touch by phone and will miss her very much. Deepest sympathy from Helen, Phil, and the grandkids, and daughter-inlaw.*

*Louise, I chose a yellow rose because that means friendship and what a friendship we had. So many good times for me to remember and so many laughs we had. We enjoyed church together for many years. I've seen you and Bro. Earl suffer so much and now no more suffering and you're together again with your Saviour. Go Rest High on That Mountain. See you soon.*

*“ I had not seen my Aunt Louise in many years, simply because we lived too far apart. But I still have fond memories of her when I was a kid and a teen. Rest in Peace.*
