“ *Deepest sympathy to Bonnie's family and friends.*

Bonnie was much older than I but I remember her being around the house when I would visit Mrs Gladys Crandon at their home back in the 60s and 70s. So very sorry to learn of her passing. She was very young.

Our hearts are broken, our minds clouded with hurt and pain! Yet we have that day, soon when we all will be back together, NO TEARS, NO PAIN, NO HURT so longing and looking forward to that day! God Bless Harry and the family keep looking up! Our redemption draweth nigh!!!

“ I met Bonnie and Harry many years ago at the Mango Dog Park. Our dogs loved to play together, so it was natural that our group became life long friends. I think it was a big surprise to all of us that we developed such a strong bond. Even though our dogs have passed and we have moved all over the country, the bond remained. Harry and Bonnie came to Florida in the spring for a visit. We decided to get the ole Dog Park Gang together again for dinner. Julie even came all the way from New Orleans to be there. I am so thankful that we did that. We didn't know that would be the last time we would see Bonnie. I will always remember Bonnie for her sense of humor, her way of telling it like it is and just being an incredible friend. I will also remember all the times we spent at the dog park, Fort Desoto and all of the doggie birthday parties. I couldn't ask for a better friend. I'm really going to miss you!! Hugs and prayers to Harry, the kids, ,grandkids and the rest of the family. You are all in my prayers!!

“ *The first time David and I met Bonnie and Harry was at Mango dog park and they had their dog sunny. we had just got our dog rascal and they welcomed us into the arms of a great group of people that ended up being the best thing to happen to us. we all continued to meet every Sunday for the next 3 to 4 years and they are wonderful memories to look back on. Bonnie was a very warm friendly loving woman who was a wonderful friend and person and she will surely be missed. Our thoughts and prayers are with Harry and his family at this sorrowful time.*

“ *First time I met Bonnie, her, & Harry were walking Sonny. We had moved in on May 24th 2006, & I think they moved here around the same time. We talked & then, & there our families became good friends, once my sweet dog Max was at her house & she stuck a note in his collar, it was so cute. She will be forever missed.*
