

Brandon Harris Bellamy

January 12, 1985 - June 3, 2024

Brandon Harris Bellamy passed away on June 3, 2024 of natural causes. Born on January 12, 1985 in Atlanta Georgia, Brandon was known for his kind nature and the respect he showed to everyone he met. A beautiful soul and a gentle giant of a man, he brought warmth, intelligence, and leadership to all who knew him, leaving a legacy of excellence and compassion. Brandon's ability to connect deeply with people was a testament to his character, and his bear hugs were legendary among family and friends.

Brandon leaves behind a beautiful 8-year-old daughter, Baylee Rae Bellamy, who adored her daddy and she was the light of his life. His love and devotion to Baylee Rae were evident in all aspects of his life, and their bond was a source of joy and strength for him. He also leaves behind the mother of his daughter, Jessica Abline, who shared in the love and care for their daughter. Brandon's passing is a profound loss to all who knew him. His sense of comfort, leadership, and unwavering support will be deeply missed.

He grew up in Georgia, where he attended Central Gwinnett High School. He excelled both academically and athletically, earning All-Gwinnett County honors as a senior on the football team. He continued to demonstrate his athleticism at the University of Tennessee at Chattanooga, where he was a dedicated member of the offensive and defensive lines from 2003 to 2007.

Brandon's athletic career was marked by his resilience and versatility.

Brandon's academic journey was equally impressive. He earned a Bachelor of Arts degree in English Language and Literature, which fueled his passion for

communication and coaching. His fraternity brother, Drew Dunlap, fondly remembers Brandon “as a true leader who brought comfort, insight, and intelligence to their group.”

Professionally, he was an experienced manager in the food service industry. His commitment to excellence and his strong professional skills earned him respect and admiration from all. More recently, Brandon found his calling as a personal coach, where he provided guidance and support to individuals navigating personal and professional challenges. His clients valued his ability to help them see the finish line and achieve their goals.

His mother, Fonda Elaine Harris, is heartbroken at the loss of her only son, Brandon. Their bond was unbreakable and she spent countless hours cheering him on throughout his high school, university, and professional careers. Brandon is also survived by his father Bennie Rodges Bellamy, brothers Andre Moore, McKenzie Williams, and Benzel “Scotty” Bellamy. His many aunts, uncles and numerous cousins are deeply saddened by our incredible loss. “Brandon’s passing leaves us with deep sorrow. We will cherish our memories of his grace, hospitality, and quick wit. He was a good man, a great father and son, whose departure was far too soon.”

May he rest in peace, and may his memory continue to bless all who knew him.

The family will receive friends on Friday, from 4:00 p.m. until 8:00 p.m. at the funeral home. “ I met Brandon years ago while he was the manager at Buffalo Wildwings in Hixson then he moved on to open the one in Ft. Oglethorpe. A great guy and always showed respect. I looked forward to seeing him when scheduled for a hearing test at work. We of course talked about football as he played for UTC. I'm very fortunate to have been able to know Brandon. I pray for his family to get through this hard time. Chad Wells

“ My brother... my rock... I miss you. I miss our long chats and seldom visits. I wish I visited more. We forged a bond, a friendship that is too strong to call friends. That is why you are my little brother. Little...? I remember us referring to the movie “Twins” with Arnold and Danny. I hate being Danny but I have no choice! I’ll be Danny anytime brother. I love you dearly and miss you so much it hurts. See you on the other side my brother. Dad boys for life...

“ I was fortunate enough to have met and got to know Brandon during the supervisor training program at McKee Foods. He exuded positivity and fun along with wisdom in his interactions with the group. After the training I was often fortunate enough to see him leaving work as I was coming in. I counted on a handshake and a hug each time I saw him. As well as a word of encouragement for a good day. I will deeply miss these encounters!

My deepest condolences to his family and friends.
