“ *I love you brother it's poole I'm sorry I didn't make it to the funeral but honestly brother I don't want to see you like that. It's been hard the past few days man and I just wish I was by your side more at the end and I hope you don't hold that against me. Your were my brother my ace my side kick and my best friend. We were unsepreatable for at least 20 years. If you seen Brandon you seen poole, heck they even messed up and put us in the same prison together lol. I can say with all my heart that I'm proud of you and I love you. Man it don't feel real it's like a piece of me is gone and I have a emptiness in me. Brother if I could of took the pain from you I would have in a heart beat. The last time you came by to see my baby girl I didn't even hardly recognize you and it broke my heart but I told myself my brother is a fighter it can't beat him but I never thought I would Get the call saying your brother is gone. Brother all I can keep telling myself is God needed his soldier home and no more pain. I love you brother and will always hold your name up high even if I get killer doing so. Father God you got you a good one and thank you for letting me spend the best times in life with him cause it was more than a blessing...love you homie*
