“ *I never thought I'd see the days with you that we are about to experience this weekend. I'm going to remember you as the goofy kid who always worried if he'd ever be popular. Well guess what, the amount of love and prayers for you that have been pouring in since Tuesday has been amazing and nonstop. Popular? Without a doubt! You were always so silly and laughing and cutting up, I just don't want to remember you any other way. I love ya and am going to miss you lots other brother.*
