“ So sorry to hear this. I have such fond memories of Brenda when we were growing up. I loved spending nights at her house when David worked at the fire hall. Rusty was very young. We lived across the street from them. My prayers for David and Rusty and the rest of the family.

“ I met Brenda about 15 years ago over at friends house (Nikki , Lance , Brenda , Terry's) house. Every time i seen Brenda she always had a smile on her face and could always make you laugh when you was down. She loved kids a lot you could tell it on her face when a child entered the room she was in it was like a child would brighten her smile.... She never had a bad thing to say about anyone... I remember some christmas's that i would go over to her house on christmas with Nikki everyone would have a blast talking and enjoying everyone being together. Brenda will be dearly missed especially with the chirstmas season coming up and in weeks to come. I know David and the Family will need prayers and comforting calls , cards , etc. to keep them going . Just show them that they are not alone during this time of grief of the loos of Brenda that she will always be with them where ever they may go and will always be in their hearts and will be their guardian angel watching over them all the time.... Brenda maybe gone from this old world full of pain and sorrow but now she is in her Heavenly Home where she is no longer in pain and has no more health problems that she may have had on this earth.

Every one will be in my thoughts and prayers
God Bless
