“ *The memories are so many. So many. Wonderful memories. Brenda was Norm's favorite singer in the whole world and I thought she was way above Vestal Goodman. We are shocked and devastated by the loss of this wonderful woman of God. We got really close to Brenda and Bro. Smith when we came to minister. We so looked forward to being with them and their precious family. The world is missing the greatness of this powerful woman of God and is a little worse since she departed. Enjoyed our times in Pigeon Forge and other places we traveled with our special sweet couple. Dear friends, some of our best friends in the world. We can hardly bear the loss. So glad we were with her in September. We will never forget our Brenda! We loved her like she was our blood sister. As far as we are concerned, she was! Love you, Miss Brenda! We know you are praising the Lord and beckoning your loved ones home with a loud shout! See you there!*
