“ *When we moved into our home in Ft. Oglethorpe you were our neighbor across the street. You were so nice to welcome me to the neighborhood. You always watched out for me whenever my husband was working on third shift. One evening I was very lonely and depressed, actually to the point of crying and my doorbell rang. You and Sheila brought me Rose's and a fruit bowl. That cheered me up so much. Isn't it funny how God works in mysterious way. I will never forget your kindness. May God show your family comfort and peace thru this and always show them the kindness you showed to me.*

“ Such a sweet soul. I'll miss you dearly my friend. I scrolled and read through some of our messages just the other day. I'm devastated I didn't get to make it up and see you in time. I'm buying a new windchime in your honor and will continue to do every year to pick up where you left off. Love you sweet girl!

“ *I will never forget you Gidg! Florida trips, exchanging clothes for our boys and I even packed some up Saturday to donate. Your smile, our conversations, you always reached out when you were worried how I felt regarding situations. You were there when I went through cancer and our snaps were fun and I didn't get to respond to the last we had. I love you sis and I will never forget you or stop thinking of your boys. I can't wrap my head around this but I know you are with your daddy and brother. You were one of the best, I love you*
