“ I miss you dad.. I wish you could be here.. Brandon found me a squishmallow that has the same name as you and I got really excited about it. Soon I'll have to count on two hands for how long youve been gone. I needed you longer. Some days I still need you. I'm sorry I put you through so much. I regret it everyday. I love you Daddy. I'd kill for a Yankee Dime right now.
