TA

“ *Rest in peace Butch*

Teresa Adams - June 23, 2019 at 03:07 PM

BA

“ *I hope you are at rest and home with Tony, Momma, Daddy and family and friends. The only peace of mind I have right is that your illness, pain and suffering are now that of joy.. You always had my back all these years and a phone call away. Fly high Butch, you are free. Let me know you are happy. I look forward to those times that i can feel your presence.. i miss you! Love always!!!! Dot*
