“ *We are so sorry for your loss. It has been a while since we have seen Bruce but we remember him as a loving caring person. As a little boy he always wanted Doris to go get him his favorite food from a fast food restaurant. I know you are hurting right now but remember he is with the Lord and in a better place. Our love and prayers are with you.*

“ Bruce was like a little brother to me when we were growing up. His double dog dares or "you can't do that cause you're a girl" gave me broken arm and lots of bruises. . . LOL. I was so happy to hear he had turned his life around and gave his heart to Jesus. I will look forward to seeing him again one day in Heaven.
