“ Bryan - I am sorry to hear about your Dad's passing. Both of your parents were so good to me when I would stop by the house when we were kids - sometimes it seems like yesterday that we were kids and other times it seems like the distant past. I hope your Dad's final years and final days were good ones. I will keep your Dad in my prayers and my parents and brothers wanted me to extend their sympathies to you and the rest of the family.
