“ To the Norris family: Sharing in your sadness at the loss of Buddy. Buddy and Billie were like my 2nd set of parents for so many years. This family is so much more than just neighbors and friends. They are family to me. So many good memories. Buddy was so full of laughter and always had a smile on his face. Tyler loved talking with Buddy after he got off the bus from school many times. We love you all so much and our hearts are hurting for you and with you. Much love, Alice Cupp and Tyler Shaw
