“ I grew up around Bo when he worked at the ERFD many years ago. He was good and kind and had a ready smile for everyone around him. I am so very sorry for your loss and know that he will be missed by everyone who knew him.

“ The last time that I spoke to Bo, he was- what else- at a camp site with Beverly. Working as Bo’s partner was anything but boring. The stories, the calls, the way he’d most times not speak to those that he knew as he drove by. He would just smile and point at them. That was his way of letting them know he was saying “Hi, friend.” Ever the consummate loyal employee, ever the partner, ever the friend. Miss you Bo.
