“ I'll miss you Uncle Butch. I know that you are in a better place and that you are no longer in pain. You fought a long battle and gave it your all but I know you were tired. Your Sisters will miss you but hopefully find comfort in knowing your pain and struggles are over. You are at peace now, I know you are up walking and moving around- no stopping you.

*I have loved you from my earliest memory and will till the end of time.*

“ To Mary Ruth and all of Butch's family, I am so sorry to hear about his death. Doug read it in this morning's paper. The last time I saw him was in Shop Rite in Chickamauga when we had just moved back from Alabama in 2011. I recognized him but he didn't see me until Doug started talking to him. I will always remember the ball games we had in Mrs. Smith's yard when all of us were kids. What fun it was. We will miss him. Doug and Judy Dodson ,LaFayette Georgia
