“ I'm truly heartbroken to read of Byron's passing. I'm so sorry, buddy. He was my dear friend. I'm from the north, so he was constantly making fun of my accent. He was the first person that taught me to shoot. He was so impatient. lol. But, I went on to be an instructor, because of him. I will miss your laugh and inappropriate jokes. You are so loved and adored, my friend. I'm going to miss you, buddy.
