“ Dearest Candace,
Many didn't understand the dynamics between us, we did. Good
bad or indifferent we wanted each other... You little brat! You are the
love of m life and I'll continue to hold onto you. I could've done
better and I could've done more, both of us. Through it all you are
my true love! So do me a favor, find a park bench and wait for me to
come to you... Just don't find someone else alone the road ;) here's
to you sweetness...

*Wish I could, I could've said goodbye
I would've said what I wanted to
Maybe even cried for you
If I knew it would be the last time
I would've broke my heart in two
Tryna save a part of you
Don't wanna feel another touch
Don't wanna start another fire
Don't wanna know another kiss
No other name fallin' off my lips
Don't wanna give my heart away
To another stranger
Or let another day begin
Won't even let the sunlight in
No, I'll never love again
I'll never love again, oh, oh, oh, oh
When we first met
I never thought that I would fall
I never thought that I'd find myself
Lying in your arms, mm, mm
And I wanna pretend that it's not true
Oh, baby, that you're gone
'Cause my world keeps turnin', and turnin', and turnin'
And I'm not movin' on
Don't wanna feel another touch
Don't wanna start another fire
Don't wanna know another kiss*

*No other name fallin' off my lips
Don't wanna give my heart away
To another stranger
Or let another day begin
Won't even let the sunlight in
No, I'll never love
I don't wanna know this feelin'
Unless it's you and me
I don't wanna waste a moment, ooh
And I don't wanna give somebody else the better part of me
I would rather wait for you, ooh
Don't wanna feel another touch
Don't wanna start another fire
Don't wanna know another kiss
Baby, unless they are your lips
Don't wanna give my heart away
To another stranger
Don't let another day begin
Won't let the sunlight in
Oh, I'll never love again
Never love again
Never love again
Oh, I'll never love again*

I give my condolences to the family of Candace, but more importantly I give my condolences to the love of her life, my son Angelo Amalio. They shared 8 years together in good time and bad times they never gave up on each other. He loved her so much he paid for everything in order that she had a good burial, because her family couldn't afford it. That's the heart of my son. So farewell Candace people will miss you.

I need to apologize for my post. I didn't use the right words. I don't know what I'm supposed to say, only I made a mistake with my words. I hope all involved can forgive me.

“ Dearest Feagan Family-
My deepest condolences to you all. We all grew up in the same church circle- and have known each other for a very long time. My heart breaks for her sisters as I know the bond that comes with having siblings, my heart breaks for her children and grandchildren at the loss of their mother/grandmother. My prayers and love go out to each of you- may she be at peace, and fly with the Angels.

💔 She was a lighthouse in a storm for me. I look out the window to see if she inside or out. She was looking after our neighbor. I don't like it here and she seen why. I miss her something awful. Hey babe.

“Baby my Candy you left too soon honey. I didn't know you were leaving that night. I sent you a text that night and said goodnight baby I'll see you tomorrow. Little did I know that you were already gone home. I've worried and prayed over you so many times. I worry for you no more. God has you home now safe in his arms. My heart is broken. I will never be the same. You were the kindness , sweetest person I ever known. You helped anyone that needed help to your own help and exhaustion. You would never say no You gave everything that you had to give of yourself til there was nothing else to give. Then you would get nd a way to help someorr. And baby you needed so much help yourself. Your little body was so broken. You were so tired Our Father rescued you in his arms safely to your heavenly home. I'll see you again in a little while. Baby my baby girl.

Candy , you were not only my double first cousin , we were more like sisters , my first best friend , the one who was my buddy at camp joy , my make up artist , you taught me to drive and gave me my first bra , If you had money at camp joy you would share it with me , you encouraged me to swim in the deep end and assured me you'd be there with me , you were my “big” cousin , I think you were just happy to be older than someone else lol. You were there for my proms , my wedding , the birth of my first child , and I was your maid of honor , we've been through a lot of milestones together but this was one I did not want to go through, you will be missed far more than you'll ever know , I love you

I love you sister. You were the only true best friend I ever had, in the first half of my life. I will watch over your babies and continue to cover them in prayer. You will always be a part of me. I will never forget you. I will never be the same.

I love you Candy. You were my big cousin. The cool cousin. You would babysit me and do my makeup. And we would dance and sing. I wanted to be just like you. I thought you were so cool and beautiful. You never worried about what anybody thought. I will never forget you. Miss you so much already. Rest high on that mountain. See you in heaven.

*Deb and all family ,
I am o former coworker of Deb and Candy. So sad to hear this news.
Since I do not involve myself in Facebook, etc., I just happened upon

*My sweet sister I miss you daily not a day goes by I don't think of you
or dream of you. Life isn't the same. Seeing you everyday as kids
growing up together and playing fussing fighting playing being the
heathens we were seems like yesterday. Thinking back just 29 years
ago never dreaming that the good Lord would need you so soon. I can't
believe your gone. The family isn't the same there's one less. Your kids
aren't the same your grandkids too. We all love you still and miss you
so very much. We were closer than we'd ever been and talked
everyday. The plans we made and things we were going to do. Wow ,
it's so sad we will never do. It will have to wait for later when we meet
again. So many people loved you Sweet Sister. You were easy to talk
to. You listened where most people just try to talk. I have tried to call
you so many times. Well u till we meet again Candy Stripe. 🌸*
