“ Dear Carol,
*I have felt so sad about Carey. I remember what an exuberant young child he was. You and Carey were always excited about things and you were both always talking about Aunt Bob and Uncle Bob. I enjoyed seeing you both at the farm reunions and in Tucson and loved it when you came to visit us in Raleigh and when you visited Jim with your "matching" luggage . It was so nice of Carey to invite us to visit his beautiful home. What talent he had. And then he sent us lots of old pictures and info about the family. I loved reading that--- brought back so many memories. I really enjoyed coming to his 100 year-old- house for your parents' 50 anniversary. I know you will miss him so much. You have been a good sister. All my love,
Annalee*
