“ *Otis would say on Sunday mornings "I hope Brother Brock is there today." He always enjoyed talking to Brother Brock and Brother Brock always made a service special with his testimonies, shouting and worshipping God. He was not ashamed of his Lord. I'll miss getting him those strawberries this year for Father's Day. He's mentioned those strawberries more than once to me this past year. I'm glad he enjoyed them. But he enjoyed everything a person did for him. He was just that way. They'll never be another Brother Brock. Sister Brock, we are so sorry to know you're suffering with this pain of his loss. We saw at the funeral though you have a wonderful supportive family to help you. We love you and are praying for you and the family for God to help you through this. Brother Brock will be greatly missed by us too.*
