“ *I will always remember Carol. She was beautiful inside and out. She was my neighbor in the late 80's. She was kind and very friendly. I will always remember her kindness. We lost touch when she moved but she is fondly remembered.*

“ *My heart is broken for both myself and your family. I know your girls are strong like you but they are going to miss you dearly. But we all get to look forward to that day when we will see you again. I never would have imagined when I trusted you with my youngest child that we would still be friends 30 years later or that I would have to be writing this memory. You were one of the sweetest and good hearted people I have ever met and I am proud to call you my friend. RIP my sweet friend.*

“ Carol was a great friend, who I had the pleasure of working with at MV HeadStart/EHS, for a few years. I actually had the pleasure of meeting Carol when her granddaughter Haley was in my classroom and then became friends with her during our employment together. She always had a smile on her face and brought such joy to Mtn. View. Praying for her husband, children and grandchildren. May God comfort you all during this time!

“ A very wonderful and caring person, whom is going to be missed greatly.

One that was always caring for others, her family, and friends. She will be missed , but not forgotten, and now she is with the Lord, who she loved so very well. So, we can't say, " we lost her", in order to loose something, you don't know where it's at, and Carol is in heaven, we can hold on to that.

Our prayers are with John and family members, at their time of sorrow, and May God be with you all.

Love In Christ,
Kenneth & Shirley
