“ I have know Ms. Edmond for many years. She was my second grade teacher in Clifton Hills Elementary. She was a very sweet women. She helped my mother raise me and my sister. She helped me during my hard times. I do miss her. The last time I talk to her was the week before she passed. I told her that she doesn't have to worry about me that I am in good hands. She helped me during my step dads passing. He died July 22, 2015. I have always thought of her as my second mother but I always called her Ms. Edmond and I sure do miss calling her and talking to her. I used to vist her a lot when I lived in Georgia. But I moved to Texas in 2011. Some how Ms. Edmond and I had a connection because when I would call she would say hey Angie I was just thinking about you. I still cannot believe she is gone. Honestly it's hard to believe. If you didn't know her honestly you missed out. Rest in peace Ms. Edmond ❤️

“ Carol's college friends have so many memories we were blessed to accumulate over the years. We were able to get together almost every year to renew our friendships and be reminded of some special memories while we were at school. How lucky we were to be able to get together this year for our "Out West" trip. The last time all six of us were together was during our "Hawaii" trip. How fortunate we were to be able to share that time together. It's hard to understand why Carol (and Linda) were taken from us so young, but we can find comfort in knowing that there will be lots of memories that we can always enjoy. To the family, take comfort in knowing that our heart aches for you and hope you can find many happy memories to make you smile. Rest in peace, Carol
