“ *My thoughts and prayers are with the family! I remember her back when I was much younger. I wasn't around her very much but from what I remember, she was very sweet and kind.*

“ *To my sweet aunt. I never in my life seen you holler or get upset maybe rattled but that is it. You were truly a gentle soul. I love you in wish I could of came to see you before you going to heaven. You were in my prayers though everyday. You and all the kids. My heart goes out to Becky, Cindy and Tony. I love you guys in still praying for you all in aunt Judy. I am so glad ( I know you are not Becky) but that you and Becky got to come stay with me a few days a few years ago.
