“ Thank you Carol for all the talks, laughs and smiles. I enjoyed listening to you sing karaoke and our playing pool. The squeals you made when something excited was said or you saw was awesome.

*RIPeace.*

“ I remember Carol and her Brother Chris from Rossville High School. That beautiful strawberry blonde hair, a beautiful soul passing through the halls so full of life and energy. May she rest in peace. Prayers for the family!

“ Carol was my cousin and also my friend. Growing up I looked at her like an older sister I never had. I'm going to miss our talks, the way she could get you to laugh on your worst day and her reminding me that things will work out like they're suppose to. She always told me not to worry about things I can't change just concentrate on the things I can. God would take care of the rest. She kept her faith in God until the end and never doubted him. I personally feel so privileged for the time I got to spend with her, the stories we got to share, the crochet patterns we shared and all the phone calls we had especially the last few months. She will be missed greatly by all who knew and loved her
