“ I went to school at Osburn with both Carolyn & Linda but it was only after I married her cousin Tommy that I got to know her better. She was always friendly and had a wonderful wit and sense of humor. I know she will be missed greatly by everyone who was lucky enough to know her. Our deepest condolences to all the family.

“ I have known and loved this sweet lady for more than 30 years! I could always count on her to brighten my day with a smile or her quick wit! Many times our paths would cross in the park with her driving slow on the back roads looking for deer and me walking. She would slow down and drive next to me and we would talk and laugh. Any time we would see each other we always told each other "I love you" before we parted ways. She was such a sweet and gentle spirit and was generous to a fault. I will miss her so much but I am so thankful that she knew Jesus as her personal savior and that I will see her again one fine day. She loved all her kids and grandkids and (if I remember correctly) her great grands! Her love of gardening sure kept Ben on his toes! Rest well dear friend. Prayers for comfort and peace to her family.
