“ Aunt Carolyn was loved and cherished by many. She always had a hug to give and prayer to share. I know she is enjoying being reunited with her family and friends that passed before her and giving those amazing hugs to her mother, sisters and brother. I may not have gotten to see her very often, but I cherish the time I was able to be with her. I remember as a child playing with Kathy running up to Mom (Alice) and Aunt Carolyn, tugging on her skirt and wanting to play with the big kids and them reassuring us that we would be one of the big kids one day but for now we had each other and we could play the games we wanted. Their soft words had a way of calming you and making things better. Not sure if I ever mastered that with my own children, but I sure had some great role models. Gone but never forgotten, WE WILL ALWAYS LOVE YOU AUNT CAROLYN!

“ Love and condolences to my cousin Danny Bean and his family. I loved Carolyn's sweet smile and soft spoken voice. Prayers of comfort going up, I know she will be dearly missed. My heart is heavy as I cannot come and pay my respects in person. But, due to COVID and my compromised autoimmune system, I cannot. I hope you understand. Love and hugs, Debi Jernigan-Leffew

“ Haven't seen you in over 40 years but I remember you fondly. ❤️ You raised your children to love the lord as you did. My memory is of y'all coming to granny Mullins house and we all got to play with Gregory & Cathy..... good times! And I remember Belinda in her skirts... ❤️ On behalf of the Hays family in Florida, we send condolences and hugs and kisses to the family.
