“ I want to send my deepest condolences and heartfelt prayers to the family. I want to share with you all that 16 years ago my son, Drennan, was delivered six weeks premature. Carolyn was there caring for him while in the NICU and when he was eventually being released she gave me the encouragement, as a new mother, that he would be fine and that she new he would be well taken care of. I can't express how much her words lifted me up and I will never forget her kindness to me and my family.

Our Deepest Sympathy,
Reid, Tammy and Drennan Harrington
