“ I still have fond memories of Mrs Elsea's glee club at Boynton Elementary School. She was a wonderful educator, and a fine person. I still remember many of the lyrics of the songs she taught us to sing in four part harmony.

“ Carolyn,
Beautiful, Full of life with the kindest Christian Soul. I can not picture you without the brightest most inviting smile. A smile that brightened a room, made you feel welcome and always conveyed love. You shared your creativity, with patience and encouragement. You let those of us feel as though we could accomplish anything, as long as we embraced passionate, pursuit of positive goals.
Thank you for sharing these characteristics with your children, especially your daughter.
You live in every single cell of your children and grand children. Each of your children are gifted, talented, beautiful, God loving, brilliant examples of you and your husband. Your children continue the legacy of teaching and touching lives through giving the gift of education.
