“ *Aunt Carolyn was a very independent and strong woman as was and is all the Harmon women. She had style and class. I grew up with so many of my family and especially my dad her brother Hobert telling me I was Carolyn's mini me. I will always take that as a compliment. For my cousins who lost their beloved mom my heart hurts for you and I'm here if you need me always. Due to COVID I unfortunately will not be able to make the viewing but know I will be there in mind and heart. I love and will miss your sweet smile aunt Carolyn* 💕💕

“ Sister to my mother, Marjorie Harmon Blevins, she always called me "my son" unless she was mad at me then I was "Mr Boss" lol. She was the hardest working woman I have ever known. My memories are now treasure's and children are as close to brothers and sisters as one could have. She loved her family more than life itself. Her last few days her conversation was so precious. I will remember you my beautiful auntie, I will smile every time. I love you endlessly
