“ *My sincerest sympathy to Brenda & the entire family. I have such fond memories of Carolyn - especially when Uncle Bert & Aunt Edith brought her on trips to visit all the Phillips' in Miami - and there were lots of us. I remember Aunt Edith telling us a story about when Carolyn was young & they were driving to Miami, she asked during the trip when they were going to arrive at "your ami"! I heard that story for years during my childhood & thought it was so funny. I know she loved each of you dearly. You will have all those beautiful memories to hold in your hearts. Love from your cousin, Emily Loos*
