“ My deepest condolence's to all of her family and friends. I was only fortunate enough to have know her for just alit while when she was a resident at Shepherd Hills. Her first weekend she came down every morning and tried to help set up tray's and clean, just like she used to do! She was a genuine spirit and will be missed by all who had the chance to meet her.

*Carolyn was such a sweet friend. She was so good to my cousin when she was a resident of Shepherd Hills and Carolyn was an employee. We really got acquainted then and enjoyed talking with her. She loved her children and shared many happy moments she had with you.
May God bless all family members and she is enjoying her time in Heaven.

“ Cindy, Brian and Marsha
I loved Carolyn so very much . I hate Alzheimer's and everything associated with it . I'm so sorry that you've lost your precious mom and sister . I'm glad you have each other to help you get thru this difficult time .
She has her memory back now and she's walking on the streets of gold with no more worries or heart ache . You will all see her again one glorious day .
I love you all and know that I'm here anytime you need to talk,cry or scream because I know exactly what your feeling .
Praying for the entire family/friends because we have all lost a very special person 🙏🙏
